

West Floral Park NEWSLETTER

WHERE NEIGHBORS TURN INTO FAMILY & FRIENDS

2013 MEMBERSHIP DRIVE

Please join us in making West Floral Park the place to live & play!

What a great year 2012 was for WFPNA! Thanks to generous membership donations and profits from our successful events, we were able to give back to the community on a larger scale than ever before and we were able to start planning for future donations and neighborhood projects.

- WFPNA donated \$1,000 to *Santiago School* and \$1,000 to *The Wooden Floor*
- West Floral Park residents donated foodstuff items on December 2 for the *Second Harvest Food Bank*. We collected several boxes of items through your generous donations.
- West Floral Park residents supported two families in the *Adopt a Family Holiday program* in December. Our generous support of these two families was impressive and ensured that they had a wonderful holiday.

WFPNA will keep this momentum going into 2013 through our neighborhood project planning and giving back efforts. We will continue to sponsor family and social events, produce our colorful newsletter, welcome new families with a gift, provide informative Association meetings, and make improvements to our neighborhood.

Open Garden Day in May has grown every year and our 2012 event was quite successful in showcasing our neighborhood and in raising money. Our social events were better than ever in 2012, and 2013 promises to be another exciting year for our social calendar. Through our historic preservation efforts, we were able to acquire much more WFP history and lore. Look for more this year! Progress was made in getting our non-profit status in 2012 and we are looking forward to finally getting this status in 2013.

February is membership drive month. While all West Floral Park residents are automatically members of the Association (dues are voluntary), your generous donations fuel our efforts. Having lived 42 years in my house, I treasure this neighborhood and city. Join today and please consider increasing the amount that you donated last year. We are a neighborhood that makes a difference and improves our city!

Thank you for your thoughtful donation of time and money!
Kay Housley, Membership Chairman

2013 Membership Drive

WFPNA works to maintain and improve our residents' lives, homes and property values through various endeavors. Your contribution makes our neighborhood stronger and better able to do more—please join us in making West Floral Park the place to live and play.

There are many options for voluntary membership donations. We hope that everyone is able to submit a voluntary donation to support our neighborhood. The Voluntary Membership Form is enclosed. Complete and send today!

Your Membership Donation Counts!

Through your voluntary membership donation, WFPNA is able to do the following:

- Provide a unified voice in the neighborhood and in the greater community of Santa Ana
- Sponsor and work on improvement projects that continue to augment the ambience, amenities, and value of our neighborhood. Major projects have included the acquisition of our sign toppers and event banners. Ongoing projects include maintenance of common areas, painting sign poles, and holiday decorating

- Inform residents of events and projects in our neighborhood through our website and quarterly newsletter, and alert residents to current neighborhood safety and welfare concerns as well as current neighborhood events through our email blasts. New this year is our very own WFPNA Facebook page
- Offer information about our unique homes and their architecture as well as compile a history of our neighborhood through our historic preservation committee
- Spotlight the beauty of our neighborhood through our annual Open Garden Day
- Welcome new people to our neighborhood through our welcome gifts and new neighbor cocktail hours
- Reach out to the greater community through our “giving back” projects and donations
- Plan social and outreach events where stronger relationships can be built among neighbors. These events include:
